CERTIFICATIONS

- Responsive Web Design, freeCodeCamp - July, 2020

SUMMARY

I am a computer science graduate seeking an internship opportunity to expand my skills and gain valuable real-world experience. I am enthusiastic and eager to contribute to team success through hard work, attention to detail and my excellent problem-solving skills. I am motivated to learn and grow as a web developer.

EXPERIENCE

Provisionally-accepted-web-dev
Umuzi.org | Johannesburg

09/2021 - Current

- Participated in continuous improvements by generating suggestions, engaging in problem-solving activities to support teamwork.
- Quickly learned new skills and applied them to daily tasks, improving efficiency and productivity.
- Used critical thinking to break down problems, evaluate solutions and make decisions.

SKILLS

- HTML
- CSS
- Git
- JavaScript

- Scripting
- Wireframes
- Microsoft Office
- Working collaboratively

ADDITIONAL INFORMATION

- I helped design and develop a website for a startup business called Ladies in hygiene. https://ladiesinhygiene.netlify.app/
